Hello there,

Please find the attached inspection reports sent to Electron Hydro on 03.28.22. You can also find them [HERE](#) on the PARIS website portal where the other Construction Stormwater General Permit information is kept.

As you may know, I have stepped in for Carol Serdar after her retirement so am not entirely acquainted with all those involved yet. Feel free to share these with other partners and/or let me know if you have any questions.

Thanks!

Anne Baxter
